

Pet Therapy of the Ozarks

PROVIDING EMOTIONAL AND
RECREATIONAL THERAPY
THROUGH VISITS WITH
LOVING PETS!

Who We Are

Pet Therapy of the Ozarks is a 501(c)3 not-for-profit Missouri Corporation organized in 1991 to provide emotional therapy visits to hospitals, nursing homes, group homes, schools, and other facilities. Our volunteers' pets pass a manners and temperament evaluation test to qualify. These "teams" are then placed in approved facilities to make scheduled visits. All our handlers/pets are insured.

We sincerely hope that you will consider becoming a member of Pet Therapy of the Ozarks. You and your pet's visits to those in need of healing and companionship make a tremendous difference in their quality of life. You, too, will find these visits extremely rewarding.

Please visit our website at www.pettherapyozarks.org for more details. You and your pet are just a few steps away from becoming a Pet Therapy of the Ozarks registered team!
